€395,000

 Zabbar, Southern

Bedrooms

 2

Bathrooms

 3

Covered

 91 m²

Type

Maisonette

Year of construction

2027

A new modern and energy-efficient residential development is coming to Zabbar, offering a selection of 1, 2 and 3-bedroom maisonettes, apartments and penthouses, with optional garages available. The project is expected to reach shell form completion by January 2027 and finished completion by June 2027, excluding internal doors and bathrooms. Designed with comfort and energy efficiency in mind, each unit will feature fully installed A+++ air-conditioning units in every room, dedicated solar panels positioned on the 500-litre roof water tank, and a heat pump system. Served with lift. Freehold.
